This new Geranium, without doubt, is the finest that has ever been offered, came from France in a lot of fine sorts, and is supposed to be a sport from the scarlet Geranium, Athelete. It being so intense in color, such a wonderful bloomer and strong grower that it was kept separate and styled "The Wonder," from the fact that everyone who saw it pronounced it wonderful. The artist has copied exactly in size, an ordinary truss. The flowers are the most intense, dazzling scarlet, and are borne in trusses of enormous size, measuring from 18 to 20 inches in circumference with single florets measuring 7 inches in circumference. The foliage is fine, and rich in color, and in strong contrast to the brilliant scarlet flowers. As a pot plant or a bedding Geranium, it has no equal. **Price, 75 cents per dozen; $6 per hundred.**

☞ The Great Bedding Geranium.

BRUANT.

The giant among Geraniums. We consider this the bedding Geranium of all varieties. The plant rebounds in vigor, foliage, and all the qualities that go to make the perfect bedder that it is. Fine also in pots. It is of the semi-double type (the most striking of all), only the double form takes place near the base of the petals, allowing them free development, and at the same time showing the semi-double type. It embodies all the advantages of both types, the perfect development and free-blooming qualities of the singles, the fullness and beauty of the doubles, without their great fault of having the florets damp and drop off and become unsightly when planted outside. **Price, 60 cents per dozen; $5 per hundred.**

The Incomparable Single-Flowered

Salmon Geranium, Mrs. E. G. Hill

There never has been a salmon-colored Geranium to equal this, although it has been introduced some four years ago, and it is rarely offered in wholesale lists, because it is at once picked up by market-growers. We have a nice lot growing, and think we will be able to meet the demand. For those unacquainted with the variety we would say it is a most distinct and pleasing shade of salmon, with light shading at the center. Trusses are large, and composed of an immense number of florets. The finest salmon-flowered Geranium to date. **Price, 60 cents per dozen; $5 per hundred.**

HETERANTHE—(Double General Grant.)

We consider this the best bedding Geranium of all varieties. The plant redounds in vigor; foliage is strong, striking and of perfect habit. Color of the flower is a bright vermilion red, of most pleasing shade. It makes a compact, dense growth, and has all the qualities that go to make the perfect bedder that it is. **Price, 50 cents per dozen; $4 per hundred.**

WHITE SWAN.

In the White Swan we have the finest double white Geranium ever introduced, and, unlike other double white Geraniums, it is suitable for bedding, and flowers as profusely as the best single varieties. It is a dwarf, compact growing variety, with handsome, banded foliage, of a light and healthy green. The perfect double flowers are unsurpassed for cut flowers. They are borne in large trusses, and are spotless, snowy-white, retaining their pure whiteness even in the heat of summer. **Price, 50 cents per dozen; $4 per hundred.**

FIRE BRAND.

Color a dazzling flame scarlet, fine, prominent truss, flowers large and of great substance, an excellent bedder and pot plant. For planting in masses we have seen none to equal it. Another thing in its favor, it takes fewer plants from its sturdy branching habit to give effect. **Price, 50 cents per dozen; $4 per hundred.**

New Double Bruant Geranium, THEOCRITE.

A distinct new Geranium of the large-flowered Bruant race, producing very large semi double flowers of the most beautiful and unique form, borne in immense trusses, the individual florets, the largest of the semi-double varieties. Its colorings are simply without an equal, a soft, tender, rose with violet shadings, entirely distinct from any other variety in coloring. Another characteristic of this new Geranium is its heavy, dense foliage, neatly zoned and stands our hot sun admirably, and for bedding, is without a rival. **Price, 50 cents per dozen; $4 per hundred.**

List of New Roses and Roses of Special Merit.

AT PRICES QUOTED.

Maman Cochet.

New Tea Rose, MAMAN COCHET.

One of the best new Roses for 1895. The growth is vigorous, with rich, healthy foliage. The extra large flowers are produced on long stems, are very double, and the buds and half-expanded flowers are simply exquisite in their graceful form, delicate color, and rich fragrance. The color is deep rose-pink, the inner side of petals silvery-gray. This variety was illustrated and described in the "Journal des Roses" two years ago, and one thousand dollars was refused for the stock by the originator, Mons. Cochet. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Rose, CRIMSON RAMBLER.

This superb novelty is of the Polyantha class and was originally received from Japan. The flowers are produced in great pyramidal panicles or trusses, each carrying from thirty to forty blooms, the individual flowers measuring about one to one-and-a-half inches in diameter and remaining perfect on the plant for upwards of two weeks with their freshness of color unimpaired. The foliage is bright green and glossy, and contrasts finely with the bright crimson of the flowers. It is said to be exceedingly hardy, having successfully withstood the test in exposed situations of two very severe winters in England. We can recommend this novelty in the strongest manner as being a new Rose of great importance and value. **Price, $1.50 per dozen; $10 per hundred.**

New Forcing Tea Rose, CHRISTINE DE NOUE.

(The Double Papa Gontier.)

This beautiful new red Tea is a very charming Rose, and promises to be one of the best of recent introduction. It is particularly valuable because red has been a very scarce color among Tea Roses, and this one seems exceptionally fine. It is a splendid grower, making a large-sized, graceful bush, with bright, deep green foliage. A constant and very free bloomer. The flowers are well borne up on stems, and are usually large and handsome. It is a very double Papa Gontier, and will be splendid for forcing. **Price, 6 cents each; 60 cents per dozen; $4 per hundred.**

New American Rose, SENATOR McNAUGHTON.

(White Perle des Jardines.)

This fine white Rose originated with Mr. Jos. Bevis, of Philadelphia, as a sport from Perle, and is a grand variety. In foliage and growth, it is identical with Perle; the flowers are of the same form and size, while the color is an ivory white of great purity. This variety will prove invaluable to rose-growers, for it is of the same easy management as Perle, requiring the same temperature and treatment; and if there is a difference in freedom of bloom, it is in favor of Senator McNaughton. **Price, 10 cents each; 75 cents per dozen; $5 per hundred.**

New Forcing Rose, BRIDESMAID.

A new Rose. A sport from that old standard, Catherine Mermet. This variety retains all the good qualities of the parent, besides adding charms not possessed by the sweet Catherine. All know that Catherine Mermet takes precedence as a pink Rose. More plants of it are cultivated by the amateur and more cut blosm is sold by the flower dealer of it than any pink Rose. Why? Because the bud is of exquisite shape and contour, so solid and firm, and the stems are so long and stiff that no other Rose will compare with it in keeping qualities after being cut. It has, though, with all these good qualities, a serious defect, namely, "off color." This is more noticeable in dark, cloudy weather, but it is true of the Rose at all times. Now, this is why the Bridesmaid will supersede the Mermet. It is about two shades deeper in color—just enough to make it bright; and it is the same color all the time under every condition of weather and surroundings. **Strong, two-and-a-half inch pots, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Rose, HENRY M. STANLEY.

This grand new ever-blooming Rosé was raised from Madame Lambert and Countess Riza du Parc, and named in honor of the great African explorer, and is recommended as a charming variety of unusual beauty and permanent value. The color is a rare shade of amber rose, delicately tinged with apricot-yellow towards the center. Reverse of petals clear buff rose. The flowers are of good substance, extra large, finely formed, and very full and fragrant. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

Hybrid Tea Rose, VISCOUNTESS FOLKESTONE.

No Rose in our Catalogue has grown in popularity during the past year like Folkestone. It is unsurpassed among light colored varieties. It is graceful to the last degree, with strong, healthy foliage. The flower is delicately tinted flesh, almost weite, and lustrious as satin. When full blown it is like a white Pæony, but without a suggestion of stiffness. We have measured flowers of this variety 6 to 8 inches in diametdr. It is sweet-scented. Don't fail to include the Folkestone in your order. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Ever-Blooming Tea Rose, MRS. DeGRAW.

Everybody wants a hardy, ever-blooming Rose, and we now offer the grandest of this class. From early summer until frost it can be depended upon to produce flowers of large size and exquisite fragrance in lavish abundance. In color it is a rich, glossy-pink. It is such a strong grower that it is almost impregnable against attacks of insects. For gardem or cemetery plots it has no equal. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Tea Rose, J. B. VARRONE.

A fine grower, flowers very large and double, with high center opening from long buds. Color a soft China Rose, changing to bright, deep carmine of even shading. An extra good Rose, and very sweet. Much superior to Luciole, which it greatly favors, but of a better growth and much freer in blooming qualities. A grand new Rose. **Price, 8 cents each; 75 cents per dozen; $5 per hundred.**

Senator McNaughton.

Kaiserin Augusta Victoria.

New Forcing Rose, KAISERIN AUGUSTA VICTORIA.

This beautiful Rose has not only a royal name, but is a royal Rose as well. We have white Roses that have elegant buds, but when full blown are not all that is desired. Then again, we have white Roses that are elegant when full blown, but have poor buds. This Rose combines both these good qualities. It is a continuous bloomer, producing successive crops of buds, and formed with large petals of best substance; shows no center when fully open. Color a pure snowy-white. **Price, 8 cents each; 75 cents per dozen; $5 per hundred.**

New Bourbon Rose, MRS. PAUL.

It is of strong, thrifty growth, with large glossy-green foliage, and large, fine flowers, which have the requisite substance to withstand our hot, dry summers. The color is a bluish-white, usually overlaid with rosy-pink shadings. This rich, unique coloring is one of its marked characteristics, and stamps it with a distinctive charm. The outer petals are grandly recurved, forming an excellent contrast to the camellia-like inner petals. For smoothness, richness ond finish this Rose is without a rival. **Price, 8 cents each; 60 cents per dozen; $5 per hundred.**

Tea Rose, DE WATTEVILLE.

This grand ever-blooming Rose is one of the most beautiful varieties we have ever sent out, and is very largely planted by those who know its beauty. The color is a remarkable shade of creamy-yellow, richly colored with rosy-blush. The petals are large and each one widely bordered with bright crimson, which gives it a very striking and beautiful appearanoe. The flowers are large, very full and highly perfumed. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Climbing Rose, WALTHAM QUEEN.

This splendid new ever-bloooming Climbing Rose is introduced from England, where it has given great satisfaction. It is a valuable acquisition, particularly for the South and Pacific Coast, and though not entirely hardy in the North, it will probably do well in many situations in the Middle States. It is a strong grower and continuous bloomer. Nothing can compare with this for beauty of bud and foliage, and it literally lavishes in the greatest profusion with its beautiful, rich red flowers of magnificent size. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Climbing Rose, REINE OLGA DE WURTEMBURG.

A splendid Rose. and should be grown where the Marechal Neil succeeds. This variety, as grown in the south of France, is simply indescribable. The people in the South would do well to employ this beautiful sort for covering verandas and trellises. Color a rosy-carmine, suffused with yellow. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Tea Rose, PRINCESS BEATRICE.

A vigorous grower, with stiff, erect wood, thick, handsome foliage, and very free-flowering. Flowers well carried on long, stiff stems; large, full and of the most perfect form; petals round, broad and very thick; outside petals, pale yellow center, rich golden yellow; edge of petals lightly laced with bright rose. **Price, 8 cents each; 75 cents per dozen; $5 per hundred.**

The Old Ever-Blooming Rose, HERMOSA.

We believe the Hermosa is the best known in the entire Rose family, and a universal favorite. Hardy as a lilac bush and as free flowering as the geranium, it combines everything most desirable in a Rose. The flower is cupped, finely formed and full; color the most pleasing shade of pink, soft but deep and very fragrant. We have a large and fine stock of this standard variety. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

The Great Forcing Rose, CATHERINE MERMET.

A beautiful, clear rich color, with the same silvery lustre seen in La France. Large, well formed. Very beautiful in the bud. One of the most popular Roses for cut flowers. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Tea Rose, COMTESSE DE FRIGNEUSE.

In color charming, in freedom of bloom second to none. The buds are long and pointed, not unlike Niphetos in form, and good size. The color is a deep golden-yellow, with softer shade inside of petal. As a yellow Rose this takes rank next to Marechal Neil. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Tea Rose, MISS WENN.

This charming variety is noticed at once for its exquisite color, which seems entirely distinct from almost all other Roses of our acquaintance. We call it a clear coral pink, a most novel and distinct shade of color very difficult to describe. The French call it China Pink. It is certainly a very beautiful color, and full and exquisitely Tea scented. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Tea Rose, CAPTAIN LEFORT.

Color of flower rosy-purple, reverse of petals China Rose. This variety is a cross between Socrates and Catherine Mermet. Long buds on stiff stems. A variety of great merit. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Golden-Yellow Tea Rose, MEDIA.

There is no denying the fact that yellow and white Roses are admired by every one, but the yellow has the more admirers of the two. The size and shape is all that could be desired; full, round flowers of the largest size, perfectly double to the center, and the fragrance is elegant. The growth is vigorous, while the foliage is of green that goes so well with yellow. **Price, 6 cents each; 50 cents per dozen; $5 per hundred.**

New Tea Rose, THE QUEEN.

A most charming Tea Rose. The offspring of that fine old Rose, Souvenir d'un Amie, whose many good qualities it seems to possess in a remarkable degree. It is pure snow-white, makes good, finely formed buds, is quite full, showing the center but slightly when fully open. The petals are thick and of good substance, opens well, is very sweet, and has proved valuable, both for forcing and open ground planting. We recommended it for extended trial, as it will be found a valuable acquisition to our list of pure white, ever-blooming Roses. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

The Meteor.

The New Crimson Forcing Rose, METEOR.

A velvety-red ever-bloomer, of the deepest glowing crimson. As fine as a Hybrid; flower of medium size, very double, and petals slightly recurving. A beautiful open Rose, a free bloomer and promising well as a pot Rose. It has no tinge of violet or purple to mar its beauty. It promises to be a reliable dark ever-bloomer, free from bad qualities. The best rich red Rose that was ever introduced for florists' use. The usual demand for forcing this Rose has caused us to grow them in large quantity, and we offer them in two sizes. Nice, strong two-and-a-half inch pots, **6 cents each; 50 cents per dozen; $4 per hundred.**

Hybrid Tea Rose, LA FRANCE.

It is of a superb form, and double as a rose can be. No variety can surpass it in delicate coloring—silvery rose shaded with pink. It has satin sheen over all its petals. It is most universally regarded as the most useful of Roses, for it is hardy beyond question. It blooms continuously. The flowers are large, finely built, endures for a great length of time, is exquisitely colored, and fragrant in the highest degree. Another Rose of which one cannot have too many. **Price, two-and-a-half inch pots, 6 cents each; 50 cents per dozen; $4 per hundred.**

New Rose, CLIMBING LA FRANCE.

A decided novelty in Roses, and one we can strongly recommend to our customers. We give the description of the introducer: "It is doubtful if, since the introduction of Gen. Jacqueminot and La France, there has been offered such a sterling novelty in Roses as the Climbing La France. The two varieties mentioned are conceded to be without a peer in their class, but the Climbing La France towers so far above all climbing Roses for the open ground that comparison is out of the question. **Price, 6 cents each; 60 cents per dozen; $5 per hundred.**

New Forcing Rose, WHITE LA FRANCE.

(Augustine Guinnoiseau.) A Rose we recommend to all, whether for out-door culture or for pots in the house in winter. If you were to ask us to select six of the finest Roses for you, we should be sure to include it in the six. Do you know La France? If so, you know this elegant new Rose. It is identical with La France, except in color. It is pearly white, sometimes tinted with fawn. Thousands of persons who have visited our grounds last summer have been startled with the beauty of this Rose, one and all exclaiming, "What beautiful Rose is that?" We predict for it far more popularity than La France ever attained. Don't fail to get this new Rose. **Price, 6 cents each; 50 cents per dozen; $4 per hundred.**

It is a good grower, has elegant, long buds, borne on long stems, and will produce more buds than any other Rose we know of. It forces easily, being at its best in mid-winter. There is no variety that will compare with it in all the qualities that go to make up the ideal Rose. The color is so peculiar and rich that it attracts attention wherever seen.
